

Thank you for your interest in Stroud Valleys Project

You can become a Friend of Stroud Valleys Project by completing the form below. As a Friend, you will receive a copy of the newsletter, priority booking on our events programme, and recognition on our web-site. By joining us, you would be helping to ensure that long-term environmental change for the better happens at the grassroots level. Although the environmental problems seem huge and often on an international scale, making a difference to our wildlife and to people's lives really can happen in the places where we live.

Our Friends Scheme will help us cover the costs of the wildlife newsletters and support our work inspiring communities around the Stroud district to protect and care for our local environment.

Thank you for your support – it makes a difference!
